VALLEY VIEW
CASINO & HOTEL
San Diego's Favorite

To whom it may concern,

I have been doing business with Allyson and Chad from the Casino Institute for many years. I have found them to have the utmost respect for the casino industry as a whole and they have never fallen short to produce top quality dealers for my staffing needs. I recommend the Casino Institute to any individuals looking to forward their career and attain top notch training in the process.

Sincerely,

Allen Esparza

Table Games Manager
