Allyson and Chad:

We would like to take this opportunity to thank-you both for exceeding our expectations in producing exceptional individuals for our staffing needs since we opened 2 years ago.

The pride and professionalism you both have shown time and time again is the reason we rely on your services and expertise exclusively. You care about the quality of dealers you produce and you have first hand knowledge of what is needed in our ever-evolving industry. The individuals whom are trained by The Casino Institute will no doubt be empowered with the skill set and confidence to succeed in the casino table games profession.

To date over 40% of our table games employees are graduates from The Casino Institute and that is a very impressive percentage!

Thank you again Allyson and Chad for your continued support and for providing us with highly skilled and motivated individuals!

Sincerely,

Anthony Ventura
